

How to do.....

Christmas (or Advent) Star

Church members across Shirley have been making a star and putting it in their window as a sign of hope during the run up (we often call it Advent) to Christmas. How about making one yourself and displaying it?

You will need:

The template or a design of your own
Card
Paint or felt tips
Embellishments
Scissors

What to do:

- 1, Use the template to draw a star on your card and cut it out.
2. Decorate it using paint, felt tips, and embellishments.
3. Hang it in your window so that people can see it as they walk past.
4. Send a photo of your star to Kate at kate_day@me.com .
(We may put it on the website or Facebook but we won't give your name or address)
